SWIFT cancellations of Interbank payments have to reach us after a phone pre-advice by 9.00 a.m. on value date. Commercial payments may be executed even before value date. Funds can only be returned with the consent of the beneficiary.

Working days for remittances

A working day means any day on which the payment service provider involved in the execution of a payment transaction is open for business as required for the execution of a payment transaction.

The Bank maintains the required banking operation for the implementation of payment transactions on all work days, with the exception of Saturdays and 24th and 31st December.

AS OF 23 JULY 2018
